Lawrenceville, GA 30046-7723

Dear Agapitus,

Mario Andretti said, "Desire is the key to motivation, but it's determination and commitment to an unrelenting pursuit of your goal - a commitment to excellence - that will enable you to attain the success you seek." Your superior academic performance indicates that you desire excellence and that this has motivated you to do well in your studies. This will serve you well in your pursuit of a college degree. You should be justifiably proud of your accomplishments. I am pleased to include your name on the Dean's Honor List for the Spring Term of 2018. The Dean's List is one of several ways GGC recognizes students who have achieved superior academic success in their studies. Receiving this honor indicates that you have maintained a high standard of academic achievement by attaining a grade point average of 3.60 or higher after completing at least 12 semester hours.

I join the faculty and staff of the School of Science and Technology in wishing you much success as you pursue your degree. Congratulations on your achievements and continued success in your academic endeavors.

Sincerely,

Thomas G. Mundie
Dean
